“How does long term rental work in Dubai?”

Long-term rentals in Dubai offer stability and legal protection, regulated by RERA and Ejari. They ensure clear rules for payments, maintenance, rent increases, and eviction.

Aspect	Details
Payment Terms	Tenants typically pay rent upfront for the entire year, divided into 1, 2, or up to 4 checks.
Service Charges	Landlords are responsible for paying monthly service charges to the developer for property upkeep.
Tenancy Contract	Must be registered with Ejari, ensuring the agreement is legally binding and compliant with RERA regulations.
Rent Increase Rules	Governed by RERA's Rental Index; landlords can only increase rent if it aligns with market rates and follows legal limits.
Security Deposit	Tenants provide a refundable deposit (usually 5% of annual rent), which covers damages beyond normal wear and tear.
Maintenance Responsibilities	Landlords handle major repairs and structural issues, while tenants are responsible for minor maintenance and keeping the property in good condition.
Eviction Rules	Landlords can only evict tenants under specific conditions, such as non-payment of rent or if the property is needed for personal use, with a 12-month notice.
Dispute Resolution	Rental disputes are handled by the RDSC, ensuring fair and timely resolutions.
Utilities Setup	Tenants must set up accounts with DEWA for electricity and water services.
Best For	Residents and expatriates seeking stable, long-term housing solutions with predictable costs.

Sanitation & Hygiene Guidelines for Holiday Homes in Dubai

Based on the latest guidelines from the Dubai Department of Economy and Tourism (DET) and Dubai Municipality, sanitation and hygiene policies for holiday homes emphasize the following key points:

Regular Cleaning

Disinfect high-touch areas like door handles, switches, and remotes after each guest. Sweep, mop, and vacuum all floors regularly.

Hand Sanitizers

Place hand sanitizers near entrances, in living areas, and inside bathrooms for guest use.

Trash Bins

Provide lidded trash bins in the kitchen, bathrooms, bedrooms, and living areas. Empty daily to avoid pests and odors.

Pest Control

Schedule regular pest control and dispose of trash promptly to maintain hygiene and prevent infestations.

Linen and Towels

Provide freshly laundered linens and towels for each stay, with extra sets for longer visits.

Bathroom Hygiene

Thoroughly disinfect sinks, showers, and toilets. Stock bathrooms with soap, toilet paper, and tissues.

Kitchen Hygiene

Clean countertops, sinks, and appliances regularly. Remove leftover items and wipe down the refrigerator.

Waste Management

Remove trash daily and use clearly labeled bins for recyclable and non-recyclable waste.

Guest Feedback Supplies

Offer disinfectant wipes or sprays to allow guests to clean as needed and enhance their satisfaction.

These policies align with the Holiday Homes Regulation Guide 2022 and the Technical Guidelines for Health and Safety issued by Dubai Municipality
